This Notice is to provide you with important information about the IEP diploma your child is scheduled to receive. An IEP diploma is an important milestone for your child. While it does acknowledge the achievement of your child's special education goals, it is not a regular high school diploma.

Your child will be eligible to continue his or her education program, including special education services, until the end of the school year when your child turns 21 years of age or until he or she receives a local or Regents high school diploma, whichever occurs first. You can decide to continue your child in school after receiving an IEP diploma or, if your child leaves school after receiving an IEP diploma, he or she can return to school at any time until the end of the school year when your child turns 21 years of age or until he or she receives a local or Regents high school diploma.
